

## Target the Hispanic Market

Do you want to target your products and services to the Hispanic Market?

Using our eAGAVE methodology eAGAVE consultants will analyze your products and services and help you tailor your strategy to reach the Hispanic market. Some of the services that we provide include:

- **CAMPAIGN MANAGEMENT** eAGAVE will assist your company through the process of creating, testing launching and monitoring your ad campaigns.
- **BILINGUAL RESOURCES** - We will provide bilingual resources to execute your campaigns. Our group of eAGAVE qualified bilingual resources will learn and master your products and services to respond to your customers.
- **REBRANDING** - eAGAVE will help spice up your products and services to make your campaign more appealing and effective to the Hispanic Market using our eAGAVE methodology and process.
- **EVENT CAMPAIGN** - We plan and coordinate your event campaigns using our partners and resources.
- **MULTI MEDIA** - We help you create appealing bilingual media, bilingual banners, and translate your marketing material.

We have partnered with some of the top industry players in the mobile, internet marketing and call centers to offer you the required resources and tools to reach the exploding Hispanic Market. Please call us 1-317-340-4554
