

## About Us

eAGAVE assists companies trying to target the Hispanic Market by providing creative solutions for their strategy and Internet marketing needs.

eAGAVE also assists LATINO owned companies and small businesses to establish their web presence and leverage the internet as an avenue to increase their business.

eAGAVE is a pioneer in launching succesful internet ventures. Some examples of our success stories include the following companies that we owned and managed.

indyHispano.com - First bilingual portal in Indianapolis offering bilingual jobs, classifieds, yellow pages, hispanic services in Indianapolis.

LATiplanet.com - LATINO social network bringing the best products and services to the young latino population.

BilingualWorld4kids - Ecommerce Website selling bilingual products to the Amazon and e-Bay communities.

BlueMangoStore - Ecommerce Website etailing european and language toys for children.

Our list of clients include:

CICF-Mexican Scholarship Fund - Developed e presence and strategy [www.mexicanscholarshipfund.org](http://www.mexicanscholarshipfund.org)

SHPE- Society of Hispanic Professional Engineers - Developed web presence and strategy [www.shpe-indiana.org](http://www.shpe-indiana.org)
