

Hispanic Email Marketing

Email Marketing

Eagave assists you in creating high-impact emails that are as professional as your business, grab your audience attention and get your message across with impact. We can manage your current email marketing solution or help you in the evaluation and selection of a new solution.

We are the experts and have partnered with best in class email marketing companies such as Exact Target, Delyvra and Constant Contact to offer you a complete email marketing solution.

Case Study- LCD - LCD hosts the largest Latino golf event every year to raise funds for underprivileged Latino families. eAGAVE managed their email marketing needs creating a high impact email marketing campaign that resulted in increasing sponsorship and participation. The solution included email marketing, web site redesign and online registration for the event.
